Your Football Escapes Holiday  
**WYNDHAM GRAND ALGARVE,  
PORTUGAL**

# RIO FERDINAND

## Football Escapes Director & Ambassador

“You’re one step closer to a Football Escapes holiday. And it will be a holiday you will never forget, because we’re here to create memories that will last a lifetime.

"Central to that vision, in making dreams come true, is giving children of all abilities the chance to play and learn from our team of Ambassadors and UEFA licensed coaches. Our camps are fun and engaging – while they also help to develop the technical side of the game.

“We see smiles on faces from start to finish. My own kids love Football Escapes holidays and your children will have the best of times too. They’ll even make a load of new friends along the way.

“On and off the pitch, there is so much for the whole family to see and do. Put simply, you’re in for a very special time.”

## WHAT WE DO

At **Football Escapes**, we provide more than just the football. It's the whole holiday experience. That's what makes our football holidays truly special.

Our team of in-house travel consultants are always on hand to guide and support all of your travel planning. They'll also create the best personalised itinerary for you and your family. It's what they do.

They'll also take care of your pre-holiday planning, reservation requests and any questions you may have - before and during your stay.

When booking a **Football Escapes** holiday, not only will you get access to our renowned concierge services; you'll also receive a once-in-a-lifetime personalised video message and signed shirt from one of our Ambassadors.

# OUT ON THE PITCH

Let's talk about the football – because the children are in for a very special time.

You won't find another football experience like our one. We work with genuine Premier League legends and some of the best UEFA licensed academy coaches around.

We want to give boys and girls of all playing abilities, aged from five to 15, a platform to develop their game. And they will. Thanks to the fun, yet engaging environment that we create.

They'll work on many wide-ranging aspects of the game; from shooting and decision making to tactical awareness and technical skills. Not only will children evolve their game, they'll also make a load of new friends along the way.

A typical seven-day holiday will consist of five two-hour sessions, Monday to Friday from 10am to 12pm. Each player will also get a full personalised Rascal x Football Escapes kit and a medal on completion.

Let the fun begin!

Please note that our football takes place at The Campus.

# THE CAMPUS

Unlike some of our other football holidays, the football takes place away from the resort – just a short journey down the road at the renowned **The Campus** (there will be a shuttle bus to and from your hotel).

This state-of-the-art performance centre offers players the chance to train and perform in the most professional of environments. With **The Campus** playing host to some of the world's best international squads and club teams.

It boasts a stadium-quality pitch and some of Portugal's leading training facilities.

In fact, daily and weekly passes can be purchased for **The Campus** – which will give you full-use of its high-performance facilities. You'll also get access to selected group fitness classes.

A popular addition to the holidays of our families, fitness is more than just a workout at **The Campus**. Discover everything from bootcamps and dance to rhythm cycle, yoga and boxfit.

Its also popular for its padel and tennis lessons and court hire. If you haven't played padel yet, we really recommend it! See for yourself, just why it is one of the world's rapidly growing sports.

## DANO'S

For sports, craft beer and friendly service, Dano's (also located at **The Campus**) can't be beaten. A stylish and relaxed space, this is the ideal place to come for a lunchtime snack, a tasty meal or to catch all of the sporting action on its multiple screens. It's also home to some great late-night live music too.

## PARENTS' MATCH

It's not just the kids that have all of the fun out on the pitch. We also run a match for the parents – which means mums and dads also get the chance to play with our Ambassador and coaches. So don't forget to pack your own boots or trainers! Quite often, the group will then head to the bar for a little expert analysis over a cocktail or two.

## DAILY CHALLENGES

We also love getting mum and dad up and involved in some of our daily football challenges in front of the kids and other parents. Think top bin target shooting, crossbar challenges and dizzy penalties... This is your time to shine, so no pressure!

## FIFA NIGHT

We also like to give parents a little break, so that they can enjoy some of what the resort has to offer of an evening. So look out for our popular FIFA night - where children can enter our tournament to see who will be crowned **Football Escapes' FIFA Champion**. Please note that this is held at Dano's at **The Campus**.
